

## Introduce Healing Touch in Your Facility

Healing Touch has the ability to transform healthcare for both patients and nurses. Learn how you can use Healing Touch to enhance patient healing and support employees.

### WE OFFER PRESENTATIONS FOR:

- Administrators to address ways that Healing Touch supports specific executive goals
- Nurses, and other healthcare professionals, to show how Healing Touch supports their patients as well as their own wellness and self-care

### ADMINISTRATORS – one to three-hour presentation

- Learn about Healing Touch as an evidence-based integrative care offering
- Explore ways Healing Touch can support you in achieving your goals related to patients, nurses and your facility
- Experience exchanging Healing Touch with another person
- Learn how the Healing Touch Integrative Care Program services support you in providing integrative care

### NURSES AND OTHER HEALTHCARE PROFESSIONALS

#### – one-hour presentation

- Learn how Healing Touch energy therapy offers a non-invasive method to relieve your patients' pain and anxiety
- Experience exchanging Healing Touch with another person
- See how Healing Touch can help relieve your stress and pain quickly and effectively at work
- Explore how Healing Touch provides a practical application for holistic nursing theory
- Learn to use Healing Touch for ongoing self-care
- Earn one continuing education hour through the American Nurses Credentialing Center (\$15 certificate fee)

One of our qualified practitioners is available to come to your facility to provide an experiential introduction to Healing Touch. We work with you to schedule the time and location that meets your needs.
